Liaison with larger organisations is on going, but no money forthcoming

Membership is healthy with 26 members (including 2 new members). Of the membership, there are 5 committee members plus 4 officers. 9 associate members, 6 corporate members and 8 interested persons.

3. Chair's report

John gave a verbal report which will be written up and circulated amongst members. Holly will keep a written copy for the record.

Important points to note were:

Interpretation boards. Thanks given to Monica for her work on this. Guy Belcher is working on a draft design and Monica will continue to liaise with him.

Occasional titbits and litter picking. Thanks given to David for his work on both.

Excellent liaison has been made with similar groups to FChB, having a shared and sometimes overlapping interest.

FChB is now recognised as a body for consultations.

4. Proposed changes to constitution

1st proposed change:

In section 4, second paragraph, change

'No Committee member may serve for more than two consecutive terms, but they may be nominated again after one year has passed.'

to

'No officer may serve in the same role for more than three consecutive terms, but they may be nominated again after one year has passed.'

This change was accepted by all, with the proviso that Monica looks at the constitution and brings any new proposal to the committee to discuss in time for the 2011 AGM.

2nd proposed change:

In section 5.1, delete 'Nominations for members of the Committee and Officers of FCHB must be received by the Secretary at least a fortnight in advance of the AGM.'

This was not accepted , so no change

3rd proposed change:

In section 7, delete 'Proposals for any amendment to this constitution must be submitted to the Committee for approval'.

This was not accepted , so no change
